Sir,

Subject:- Opening of a Shandy at Chikkajoginalli, Shikarpur Taluk.

I have the honour to state the people of Chikkajoginalli and other surrounding villages had given petition to this office for the opening of a Shandy at this place. The matter was referred for opinion to the Village Panchayet and the Amildar of the Taluk. Both are of opinion that the opening of a shandy at this place is benificial to the people. There are no shandies within a radius of six miles to this village, the nearest being Shikarpur and Anjanapur Shandies. The opening of this shandy is expected to serve about 30 villages round about. This village is situated almost at the centre of the channel area and is also easily accessable. The opening of a shandy at this place was found suitable. Hence objections were called for, for the opening of the proposed shandy. There have been no objections from anybody except from the Shikarpur Municipality, stating that the income of the municipality will be affected and likely to fall. The objection of the Municipal Council is not acceptable. Shikarpur is about 6 miles from this place and it may not much affect the income of the municipality. Further there have been some shandies running at present in this District though they are at a distance of 2 or 3 miles from the municipalities. Municipality serves the needs of one town and the opening of a shandy at this place serves the needs of many villages and is an act of public utility.

The subject was placed before the Board at their meeting held on 29th and 30th October 1945 and is resolved to recommend to Government for the opning of a shandy at this place. Hence, I request you to kindly obtain sanction to the resolution of the Board to open a shandy at Chikkajogihalli village on every Monday, under Section ~~4~~ 54 (A) of the District Board Act.

A copy of the resolution of the Board is herewith enclosed for favour of information.

I have the honour to be,
Sir,
Your most obedient servant,

President,
District Board, Shimoga.
